

# Youth Engagement Strategy Hui

Neighbourhood Support New Zealand is developing a Youth Engagement Strategy, and we would love to have your input at our Hui:

**When:** Tuesday 22 October

**Time:** 9.30 am – 3.30 pm

**Where:** Level 15, Police National Headquarters, 180 Molesworth Street, Wellington

## About the day

The purpose of the day is to look at how Neighbourhood Support can best engage children and young people in creating safe, resilient and connected communities.

We'll be focusing on ages 3 – 21 and what different approaches might work best for different groups. We'll also be thinking about our existing Junior Neighbourhood Support programmes.

## Please Join Us!
